

## PUBLIC NOTICE

### Opportunity to Comment on Apache Leap Special Management Area

The Tonto National Forest, Supervisor's Office, is preparing a management plan for the congressionally designated Apache Leap Special Management Area (SMA), located in Pinal County, 65 miles east of Phoenix, Arizona. The purpose of the proposed action is to develop and adopt long-range direction for managing the natural resources and human uses of the Apache Leap SMA consistent with Section 3003 of the Carl Levin and Howard P. 'Buck' McKeon National Defense Authorization Act for Fiscal Year 2015 (NDAA) (Public Law [PL] 113–291). Approval of the Apache Leap management plan requires a concurrent forest plan amendment to add or modify one or more plan components, or to change where one or more plan components apply (36 CFR § 219.13(a)).

The 1985 Tonto Land and Resource Management Plan would be amended to: 1) include the Apache Leap SMA as a new management area (MA 2G Globe Ranger District - Apache Leap SMA); 2) modify the description and acreage of the former management area (MA 2F Globe Ranger District – General Management Area); and 3) incorporate new plan components that were developed to meet the primary purpose of the special management area. These plan components comprise chapter three of the proposed Apache Leap SMA management plan.

The latest version of the proposed Apache Leap SMA management plan is available to review online at: [\[http://www.apacheleapsma.us/public-involvement\]](http://www.apacheleapsma.us/public-involvement)

The new plan components that comprise the proposed forest plan amendment address various substantive requirements found at 36 CFR 219.8 thru 219.11 for managing the multiple uses and resources of a designated area.
