**Ground Rules:**

1. Follow the timeframes on the agenda unless all parties agree to adjustments.
2. Participation is by objector, only, during their allotted agenda time.
3. Be polite and listen, avoid disruptions and side conversations.
4. Focus attention and discussion only on the Apache Leap Special Management Area project, specifically written objections raised by the objector and opportunities for resolution.
5. Silence cell phones.

**Meeting Outcomes:**

1. Attendees better understand the project’s purpose, the objection review process, and how information from the meeting will be used.
2. Attendees are aware of the issues brought forward by the objectors and potential remedies and resolution points.
3. Objector and attendees have had the chance to validate or clarify the Reviewing Officer’s understanding of the issues and proposed remedies.

**Objectors: David Gunn**
